Review Engagement Report

We have reviewed the Statement of Financial Position of Cowichan Valley Hospice Society as at December 31, 2014 and the Statements of Changes in Net Assets, Operations and Cash Flows for the year then ended. Our review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of inquiry, analytical procedures and discussion related to information supplied to us by the Society.

A review does not constitute an audit, and consequently, we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian accounting standards for Not-for-Profit organizations in a manner consistent with that of the prior year.

1. OPERATIONS

Cowichan Valley Hospice Society is a Not-for-Profit community agency incorporated under the Society Act of British Columbia on April 15, 1981. Its purpose is to provide skilled and compassionate support services to the dying and bereaved and their families and friends, with sensitivity to their culture, values and beliefs.

The Society is registered as a Charity under the Income Tax Act (11887 8388 RR) and is therefore tax-exempt under Section 149(1)(f).

2. SIGNIFICANT ACCOUNTING POLICIES

a) Accounting standards

These financial statements have been prepared in accordance with standards for Not for Profit Organizations which is one of the financial reporting frameworks included in Canadian Generally Accepted Accounting Principles.

b) Fund accounting

The Society follows the deferral method of accounting for contributions. The Operating Fund reports unrestricted and restricted assets, liabilities, revenues and expenses related to the Society's activities. The Capital Asset Fund reports the ownership, liabilities and equity related to the Society's capital assets.

c) Property, Plant & Equipment

Property, plant and equipment are recorded at cost. Expenditures and additions which substantially increase the useful life of existing assets are capitalized. Amortization of these assets is based on the following rates:

Building	40 years straight-line
Furniture and fixtures	5 years straight-line
Office equipment	5 years straight-line
Computer equipment	3 years straight-line
Computer software	1 year straight-line

One-half of the year's amortization is recorded in the year of purchase and none in the year of disposal.

d) Cash

Cash includes cash on hand and balances with banks net of bank overdrafts.

2. SIGNIFICANT ACCOUNTING POLICIES Cont'd

e) Revenue Recognition

i) The Society follows the deferral method of accounting for donations, fundraising, gaming, Cowichan Valley United Way, Central & Northern Vancouver Island United Way, grants, Duncan Dabbers and other contributions. Restricted contributions and grants relating to the general operations of the Society are recognized in the Statement of Operations in the year in which the related expenses are incurred. Unrestricted contributions and grants that can be reasonably estimated and collection is reasonably assured are recorded as revenue in the Statement of Operations in the year received.

ii) Interest income earned is recognized as revenue in the year the investment income is earned.

f) Use of Estimates

The preparation of these financial statements in conformity with Canadian Accounting Standards for Not-for-Profit Organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the current period. All estimates are reviewed periodically and adjustments are made to the statements of operations as appropriate in the year they become known.

g) Donated Services

A substantial number of volunteers contribute a significant amount of time each year to assist the Society in carrying out its activities and the value of the contributed services are not recognized in the financial statements.

3. FINANCIAL INSTRUMENTS

The Society's financial instruments consist of cash, accounts receivable, term deposits, accounts and wages payable and long term debt. It is the board's opinion that the Society is not exposed to significant credit risk, liquidity risk, market risk or currency risk arising from these financial instruments. For further information regarding these financial instruments please see notes 4, 6 and 10.

Interest rate risk

Interest rate risk refers to the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate due to changes in market interest rates.

The exposure of the Society to interest rate risk arises from its interest bearing term deposit. The Society manages its exposure to interest rate risk through contracts stating the guaranteed rate. Fluctuations in market rates of interest on the term deposits do not have a significant impact on the Society's results of operations.

4. ACCOUNTS RECEIVABLE

Accounts receivable consist of the following:

	2014	2013
Goods and sales tax recoverable (GST)	\$ 1,049	\$ 1,105
Employee donations	<u>3,085</u>	<u>-</u>
	<u>\$ 4,134</u>	<u>\$ 1,105</u>

GST recoverable has been calculated as 50% of the 5% federal portion paid in accordance with GST requirements for Not-for-Profit Organizations commencing April 1, 2013.
